

# Machine Learning Preparing Data: Agenda

Michael Claudius, Associate Professor, Roskilde

06.02.2021

# Agenda of Today

- *Introduction of today's hard work*
  1. Rehearsal of Exercises. Smart Solution.
  2. ML Video linear regression
  3. Introduction to exercise RegressionPerformance.
  4. Exercises: Python2, RegressionPerformance
  5. Lecture: Prepare Data (30 min)
  6. Lecture: Housing code explained (15 min)
  7. Exercise: Housing 2A No. 1
  8. Exercise: Housing 2A No. 2
  9. Exercise: LinearRegressionStandard
- *A.O.B.: See you next week 😊*

# Today's Highlights

- It is time for looking at today's highlights of an End-To-End Project
- [ML End-To-End Project No. 2B \(PDF\)](#)
