Machine Learning Logistic Regression : Agenda

Michael Claudius, Associate Professor, Roskilde

16.03.2021

Agenda of Today

- *Introduction of todays hard work*

  1. **Lecture; Logistic Regression Basic Slide 1-4 (15 min)**
  2. **ML Video Logistic Regression (10 min)**
  3. **Lecture: Logistic Regression Formulae(35 min)**
  4. **Exercise Logistic Regression (40 min)**
  5. **Lecture: Iris Case and Softmax (30 min)**
  6. **Lecture: Iris code explained (10 min)**
  7. **Exercise: Iris case**

  A.O.B.: See you next week ☺

Zealand

Todays Highlights

- **It is time for looking at today's highlights of an Logistic Regression**
- [ML Logistic Regression (PDF)](#)
